### ANNOUNCEMENT

A. Allyn Bishop of Newport has recently purchased the Curtis Studio in Barton. The studio has been put in thorough repair and the operating room entirely changed, a large side window taking the place of the old-fashioned skylight. A dressing room has also been added. The high-grade of Mr. Bishop's pictures is well known, and he expects to work up a large patronage by the excellency of his work. At present Mr. Bishop will only be in Barton on Fridays. The studio will be open all the time, however, and those wishing to make appointments, can do so at any time. The slogan, "Everyone can buy what you give them but your photograph" has made photographs more and more popular as Christmas presents. Those who intend to have photographs for Christmas are advised to sit as early as possible. As all the old negatives which have no commercial value will be soon disposed of, Mr. Bishop calls attention to the fact that any negative will be retained if the interested parties will notify the studio. Do not neglect this. Amateur work will be well and promptly done, and may be left at the studio at any time. Framing will also be a specialty. Frames of all sizes and styles will be carried in stock including the large oval frames with beveled glass for enlargements. 41-42

## MORE MEN NEEDED

### TO FILL QUOTA.

State Board Rejections and Army Surgeon Examinations Make Another Call by County Board Necessary.

With more than 92 men certified to the state board by the county exemption board it was thought the number would not be required 92 men needed to fill Orleans county's quota for the new army, but the number of men rejected by the state exemption board and the number being returned from camp Devens after examination by the army surgeons, makes another call necessary, and the local exemption board will make such a call soon. How many will be called is not known but is thought probably 50 men will be summoned. The Monitor of September 5, contained a complete list of the registrants who have not been called, in the order in which they are liable for service.

Men who have been returned from Ayer, Mass., as unfit for military service after examination by army surgeons are:

Claude R. Kennerson, Derby Line. Walter A. Maxfield, Newport. Orrin Lafont, West Glover. Fred H. Kelley, Derby Line. Charles A. Kelley, Newport. Darwin E. Cushman, Orleans. Ephraim G. Turcott, Morgan.

The first two named went to Ayer in the first contingent of 41 and the last five went with the 36 who left a week ago this morning.

Two more county men have been certified back by the state board. They are Harry Owen of Barton and Guy House of Irasburg.

It is not known when the next and final quota of county men will be called to service but it is expected at any time.

Three men charged as being slackers were before the federal district court at Rutland Monday at a hearing before Judge Harland B. Howe. One was an Orleans county man, Howard C. Jenne of Newport, the other two being Albert J. Masse of Hardwick and George R. Blair of St. Albans.

Mr. Jenne told the court that he was an express messenger running from Newport into Canada, that he was home but part of the day and that he had no chance to get to St. Johnsbury to register. He said he wrote to the town clerk and the court wired for this letter, remarking that it would have a strong tendency to settle in his mind as to whether or not the respondent was attempting to evade registration for military duty or simply dodging the extra effort of complying with the law.

Bernard Lee has gone to Mt. Vernon, N. H., where he has a position in the Stearns school.

Mrs. Amos Dilley is visiting her parents, Mr. and Mrs. Walter Goodro in Springfield, Mass.

July 3, 1890, she was united in marriage to Francis W. Cutting at Newport, N. H., and for two years after that time she was employed in the office of the Peerless Manufacturing company in that place. Upon coming to Barton in 1892 when the factory was built and Mr. Cutting became its manager, she was employed to do clerical work during its building and for twelve years following.

She was a valued member of the Woman's Literary club, serving as its president two years, and after its incorporation as one of its trustees, and it was largely due to her efforts that the library fund was started in this city.

She is survived by her husband, who has the sympathy of the community in his bereavement; her father, A. B. Willey; a brother, Frank E. Willey, and a sister, Mrs. Dora Densmore, of Claremont, N. H. Funeral services were held at the Methodist church Thursday afternoon, the pastor, Rev. I. A. Ranney, officiating, assisted by Rev. W. A. Warner, of the Congregational church.

The many floral tributes spoke of the high esteem in which Mrs. Cutting was held.

Sizing-Up on the Second Liberty Loan

Allotments of the second Liberty loan for the New England district have been made by the New England district committee, and the minimum and maximum amount allotted to some of the towns in this part of the state will be of interest. These quotas are based upon the banking resources of the town named, which in each instance includes the adjoining communities. Some towns have no organized committees and these have not as yet been allotted a block of the new 4 per cent Liberty loan.

In each case the first amount is the minimum and the last amount named the maximum amount each place is asked to take.
